

Falling In Reverse - I'm Not a Vampire

tom:

G

Afinação: Drop D (D A D G B e)

A cifra base eu conseguir fazer... mas o solo eu não achei na afinação Drop D (D A D G B e)... então eu recomendo adicionar duas casas na base inteira, menos o solo principal ?. E o nome das cordas da base e do solo final tá invertido. Desculpe!

Intro: Guitarra Solo (depois de fazer 1 vez a base)

Well I'm not a vampire
But I feel like one
Sometimes I sleep all day
Because I hate the sunlight
My hands are always shaking
Bodies always aching
In the darkness when I feed
Well I can lure any woman that I want to in my bed
With me

And Whiskey seems to be my Holy Water
Mothers better lock your doors
And hide your daughters

I'm insane!
Well, I can feel it in my bones!
Coursing through my veins!
When did I become so cold?
For goodness sake!
Where is my self control?
If home is where my heart is
Then my heart has lost all hope

[Intro base apenas 1x]

Primeira parte com alteração na letra:

Well I'm not a zombie
But I feel like one today!
Sell me pills, Comatose!

Acordes

Chemical daze!
My head is always spinning
From this dizzy blurry vision
And my stomach has had enough!
I feel like a lady
That is pregnant with a baby
Cause I'm always throwing up! blehh
Hi, My name is Ronnie!
I'm an addict!
(Hi, Ronnie!)
Daddy should've never raised me on Black Sabbath!

I'm insane!
Well, I can feel it in my bones!
Coursing through my veins!
When did I become so cold?
For goodness sake!
Where is my self control?
If home is where my heart is
Then my heart has lost all hope

Toda a parte acima se repete 2x

God bless all of you now!
Cause I'm going straight to Hell!
And I'm taking you down with me!
Cause you know damn well,

I'm insane!
Well, I can feel it in my bones!
Coursing through my veins!
When did I become so cold?

I'm insane!
Well, I can feel it in my bones!
Coursing through my veins!
When did I become so cold?
For goodness sake!
Where is my self control?
If home is where my heart is
Then my heart has lost all hope

Whoa... oh uh oh... oh uh oh... oh... oh uh oh... oh!
