Ritalin and Caffeine

E B
Are two of my closest friends

Writing songs to make amends

Dbm A
With my long gone self esteem

E B
With my validation needs

Dbm A
And all the thoughts and feelings

E B
That have been haunting my dreams

Dbm A
I've been playing video games

E B
To escape the hell i'm living in

Dbm A
I'd rather face the cacodemons

E B
That don't live inside me

Dbm A
My mind feels like a mosh pit

E B
Of emotions and regrets

Dbm A
A fucked up carousel

E B
Of memories I can't forget

Dbm
I feel I'm drowning

In Labyrinth Zone

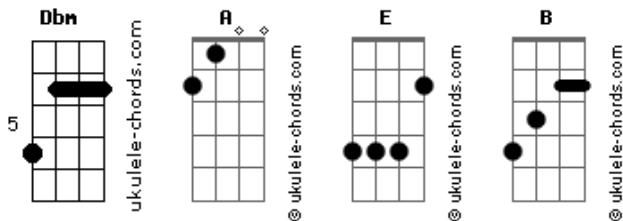

A
I'm counting

The seconds on

E
My last air bubble

B Dbm
Ready to explode

Acordes

I feel it's game over

For me tonight

A
No continues

Or extra lives

E
Despite my efforts

B Dbm
It's my final fight

Dbm A
I've been running out of space

E B
And I've been running out of time

Dbm A
Like a hard boss on a Touhou game

E B
I'm playing with my mind

Dbm A
I've been locked inside my room

E B
Haven't seen sunlight in days

Dbm A
I know this pain is temporary

E B
But tonight it's killing me

Dbm
I feel I'm drowning

In Labyrinth Zone

A
I'm counting

The seconds on

E
My last air bubble

B Dbm
Ready to explode

Dbm
I feel it's game over

For me tonight

No continues

Or extra lives

Despite my efforts

It's my final fight
