

# FAMY - Ava

Tom: C

F  
 Two oceans in between us  
 C  
 And I wait for sure  
 Am  
 There's a gate I see  
 F  
 There's a way for me  
 G  
 No, this one sits here  
 C  
 And whispers things to me  
  
 Am  
 Nobody put the devil inside  
 F C  
 This one made it big of me  
 Am C  
 This wall primal, my grinding joy  
 F C G  
 The headache of the necktie on my bedroom door  
 Am  
 My conscience burning  
 C  
 My eyes are, too  
 F  
 Cuddling with hard contempt  
 C G  
 Does she love you? And, I swear I do  
  
 ( Am C F C G )  
  
 Am C  
 This world is rabid, this world is through

f  
 Follow me through an empty chamber  
 C G  
 I'm slipping next to someone new  
 Am C  
 My conscience burning, my beats leave room  
 F  
 The headache of the necktie on my bedroom door  
 C G  
 I'm such a coward, these retched things I do  
 Am C  
 Disgrace and treachery and the sickness that I know is true  
 F  
 This world is learning, this world is pure  
 C G  
 She can be my valentine underneath my sheets on the bedroom floor  
  
 Am  
 Gonna push her down  
 C  
 Gonna spread her out  
 F  
 Gonna taste her tongue  
 C G  
 Gonna suck my blood  
 Am  
 Gonna borrow mine  
 C  
 Gonna shape my love  
 F  
 Gonna make her try  
  
 C G  
 I don't have anything.

## Acordes
