

Faouzia - Anybody Else

tom:

[Primeira Parte]

Say you love me, are you lying?
 Break me just to fix me, keep me holding on
 When you're lonely, I come running
 But anytime I need you then you're gone, gone, gone
 Yeah, you're gone, gone, gone

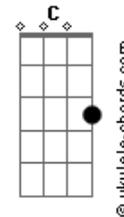

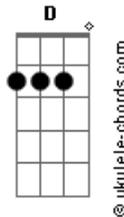

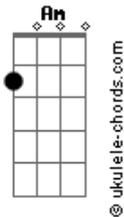

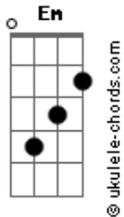

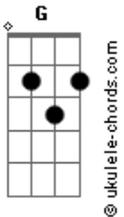

[Refrão]

I wouldn't wish this love, wish this love on anybody else
 Wish that you were anybody else then I'd be on my way
 How could I be so dumb? I'd say run to anybody else
 Easy when it's anybody else, so tell me why I stay?

[Segunda Parte]

Can we go back to a time wh?n
 You were just a stranger and my h?art was strong?
 It's a cruel love, never-ending
 Looking here for something but it's gone, gone, gone
 Yeah, it's gone, gone, gone

[Ponte]

With you, with you
 With you, I stay
 With you, with you
 With you, I stay

I wouldn't wish this love, wish this love on anybody else
 Wish that you were anybody else then I'd be on my way
 How could I be so dumb? I'd say run to anybody else
 Easy when it's anybody else, but I stay?

[Final]

With you, with you
 With you, oh-oh-oh-oh, I stay
