

# Far Caspian - Blue

tom:

Intro:  $\begin{matrix} & G \\ C & G & C & G \\ & C & G & C & G \end{matrix}$

$\begin{matrix} C \\ G \end{matrix}$   
Last night the rain blew down  
 $\begin{matrix} C \\ G \end{matrix}$   
I called you up with no answer  
 $\begin{matrix} C \\ G \end{matrix}$   
It's all a waste of time  
 $\begin{matrix} C \\ G \end{matrix}$   
I've wanted this since forever  
 $\begin{matrix} C \\ Em \end{matrix}$   
But I don't know, it's not the way  
 $\begin{matrix} C \\ Em \end{matrix}$   
I thought, I tried for you to see  
But you'll never know  
 $\begin{matrix} C \\ G \end{matrix}$   
Oh, It will never work  
 $\begin{matrix} C \\ G \end{matrix}$   
Don't you see, you gotta let it hurt  
 $\begin{matrix} C \\ G \end{matrix}$   
Oh, It will never work  
 $\begin{matrix} C \\ Em \end{matrix}$   
Don't you see, you gotta let it hurt  
 $\begin{matrix} C & G \\ C \end{matrix}$   
Oh!  
 $\begin{matrix} C \\ G \end{matrix}$   
I think of ways to fly

We smoked away in the basement  
 $\begin{matrix} C \\ G \end{matrix}$   
I kissed your lips slow and dry  
 $\begin{matrix} C \\ G \end{matrix}$   
We danced until we were wasted

$\begin{matrix} C \\ Em \end{matrix}$   
Oh, It's a dream I'm in  
 $\begin{matrix} C \\ Em & G \end{matrix}$   
And all I need is many ways to fly away  
 $\begin{matrix} C \\ G \end{matrix}$   
Oh, It will never work  
 $\begin{matrix} C \\ G \end{matrix}$   
Don't you see, you gotta let it hurt  
 $\begin{matrix} ( & C & G & C & G & ) \\ ( & C & G & C & G & ) \end{matrix}$

$\begin{matrix} C \\ G \end{matrix}$   
Oh, It will never work  
 $\begin{matrix} C \\ G \end{matrix}$   
Don't you see, you gotta let it hurt  
 $\begin{matrix} C \\ G \end{matrix}$   
Oh, It will never work  
 $\begin{matrix} C \\ Em \end{matrix}$   
Don't you see, you gotta let it hurt

$\begin{matrix} C & D \\ C \end{matrix}$   
Oh  
 $\begin{matrix} C \\ D \end{matrix}$   
Oh, you gotta let it hurt  
 $\begin{matrix} C & D \\ C \end{matrix}$   
Oh  
 $\begin{matrix} C \\ D \end{matrix}$   
Oh, you gotta let it hurt

[Final]  $\begin{matrix} C & D \end{matrix}$

## Acordes
