Tuning: standard

Intro: 1rst Verse

This is played casually over the first verse or just strum the chord

Formations as they are; there are variations throughout the later bits too

There's a limit to your care
So carelessly there
You that drove them down
It's a limit to your care

I love, I love, I love
This drink on my stream
I love, I love, I love
The trouble that you give me
I know i know i know
That only I can save me
I'll go i'll go i'll go
Lie down alone

There's a limit to your love
Like a waterfall in slow motion
Like a map with no ocean
There's a limit to your love
Your love, your love, your love

You can't really smile
It should be written on your face
I'm piecing it together
There's something out of place

I love, I love, I love
This drink on my stream
I love, I love, I love
The trouble that you give me
I know, I know, I know
That only I can save me
I'll go i'll go i'll go
Out of love
Because there is no limit
There's no limit no limit no limit, to my love.
