

Feliciano Amaral - Tenho Luz No Coração

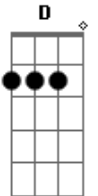

tom:
Intro: D Cm Bm E E7 A
Toda a escuridão da noite é hoje sol
(D A)
Tenho luz no coração
(D A)
Vivo agora luz de um rútilo arrebol
Tenho luz no coração
Tenho luz, sim tenho luz no coração
Pois Jesus as trevas todas dissipou

(D A)
Doces hinos cantarei
Pois Jesus hoje é meu rei
Tenho luz, sim tenho luz no coração
(D Cm Bm E E7 A)
Cristo o mundo um paraíso fez pra mim
(D A)
Tenho luz no coração
(D A)
Meus deveres com amor eu cumpro, enfim
Tenho luz no coração
