

Felipe Arantes - Angel of Easter Eve

tom:
A (forma dos acordes no tom de G)
Capostrate na 2ª casa

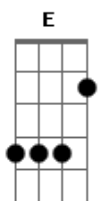

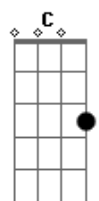

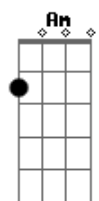

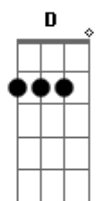

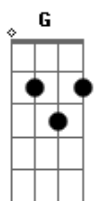

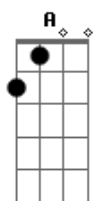

I was walking alone
Nowhere to go
Far from the peace
Lost in the road of life
Then I found a light
There she was my child
Smiling for me
There she was my angel of Easter Eve

[Refrão]

You're my all
You're my heaven
I want to stay with you
Twenty-four seven
You're my all
You're my heaven
I want to stay with you
Twenty-four seven
I was there in the dark
No light to see
Then you came to my life
To shine just for me tonight
We are stars of life
Our day is here
The happiness is bright

You're my man

Acordes

And I love to be your wife

[Refrão]

You're my all
You're my heaven
I want to stay with you
Twenty-four seven
You're my all
You're my heaven
I want to stay with you
Twenty-four seven

I'm no longer alone
I have where to go
I'm finally in peace
I found the road of life
Cause I found my light
And she is my child
She smiles for me
Cause she is my angel of Easter Eve

[Refrão]

You're my all
You're my heaven
I want to stay with you
Twenty-four seven
You're my all
You're my heaven
I want to stay with you
Twenty-four seven
