What would you do
If you
Couldn't do the right thing to help
Your attitude is what
Makes the progress right
Use your time to make it count
(Dbm A Dbm A)

Would you change your mind

This proves the misery
Our extreme use

Their endless thirst

Acordes

What's happening to us
To us

[Refrão]

You don't really need anything else
The time is passing and you will feel
All the thirst of that water
That you didn't fear to waste

What would you do with
What you left behind

Would you change your mind

This proves the misery
What's happening to us
