

# Felipe Valente - Nas Garras da Graça

Tom: A

Resgatado de onde não mais há um caminho pra voltar

Te juro eu vim de lá

Perdoado... Nada pra pagar

Entre as nuvens vou além

Pelo céu pra te encontrar

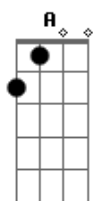

E voar...

além do horizonte pra te encontrar

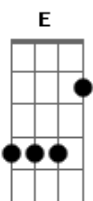

E voar, e voar

0 céu não vê limites pra me perdoar  
 Nas garras da tua graça eu quero descansar  
 E voar...  
 Exilado... Em terra de ninguém  
 Procurando o meu lugar  
 Só encontrei desdém  
 Perdoado... Nada pra pagar  
 Entre as nuvens eu vou além  
 Pelo céu para te encontrar
