

Felix Sollo - Maquina do Tempo

Tom: G

Intr: G, Em, C, D, G, Em, C, D, G, C, G

Já faz tanto tempo que eu não te vejo
 to com saudade do seu beijo
 eu to querendo te encontrar
 lembro dos nossos beijos no seu portão
 tanto carinho , quanta paixão
 são tantas coisas pra lembrar
 Ah ... como é bom lembrar desses momentos

que faz meu coração palpitar
 ah ... se eu tivesse a maquina do tempo
 pra voltar nesse momento só pra te encontrar
 Repete do inicio
 Refrão 2 x
 pra voltar nesse momento só pra te encontrar
 pra voltar nesse momento só pra te encontrar
