C  
Ever since I was a baby girl I had a dream  
Bb2  
Cinderella theme  
F  
Crazy as it seems  
C  
Always knew that deep inside that there would come that day  
Bb2  
But I would have to wait  
F  
Make so many mistakes  
C  
I couldn't comprehend

As I watched it unfold  
Bb2 F  
This classic story told I left it in the cold  
C  
Walking through an open door that led me back to you  
Bb2 F  
Each one unlocking more of the truth

Dm C  
I finally stopped tripping on my youth  
Dm C  
I finally got lost inside of you  
Dm C  
I finally know that I needed to grow  
Bb G G  
And finally my mate has met my soul

[chorus]  
F  
Finally  
C  
Now my destiny can begin  
C F  
Though we will have our differences  
Fm C C C  
Something strange and new is happening

Fronting like it didn't matter

I just ran away  
Bb2  
And on another phase  
F  
Was lost in my own space  
C  
Found what its like to hurt selfishly  
Bb2  
Scared to give of me  
F  
Afraid to just believe  
C  
I was in a jealous, insecure, pathetic place  
Bb2 F  
Stumbled through the mess that I have made

Dm C  
Finally got out of my own way  
Dm C  
I've finally started living for today
