

Fernanda Takai - Como Dizia o Mestre

Tom: C

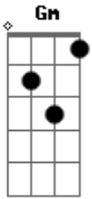

É, acaba a valentia de um homem
 Quando a mulher que ele ama vai embora
 É, tanta coisa muda nessa hora
 Que o mais valente dos homens chora
 Diz que faz e acontece

Que não tem medo de nada
 Levanta a voz, fala alto
 Maltrata a mulher amada
 E quando ela cisma e vai embora
 A montanha se desmancha
 E o mais valente dos homens
 Chora como criança
