Intro: E E7M E E7M
Good, Everything that was done
      A7M
Hera for you
The world is art
I try to see you
In the days that follow, and know
Of Everything you want
                            B7 E7M E
And everything around you
At your pace, in your intimate
                                  B7 E7M E
          Gbm7 E7M
Delirium of zeus, thoughts mine and yours
```

```
See, everything intense until the and
          A7M
Interesting any way, life goes on
I thing about time, that passed and I lost
In what I have today
              Gbm7
You little by little
