

Fernando Dutra - Frontline

tom:
Capostrate na 2ª casa

[Primeira Parte]

You call me by name

To You I belong

You made a way

You've rescued me

[Refrão]

You are at the frontline

Guiding me by hand

I put my trust in You

With You I will stand

Through the valleys

Through the fire

I may go, I know

You are there

[Segunda Parte]

We try to describe You

Yet we're not even close to defining You

Let Your presence come down

Let Your spirit surround

You are with us
