I'm going down to the river

Just me and my guitar

I'm going down to the river

Just me and my guitar

I got to have some inspiration

Which I haven't found so far

I gonna drink that Muddy

Waters get me a mojo too

I gonna drink that Muddy

Waters get me a mojo too

Whatever it takes so

I can play this blues for you

I'm going down to the voodoo ladie

To cast me a spell

I'm going down to the voodoo ladie

To cast me a spell

I'd even sell my soul

So I can play this blues from hell

I'm going down to the river

Just me and my guitar

I'm going down to the river

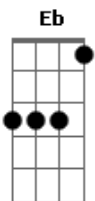

Just me and my guitar

I got to have some inspiration

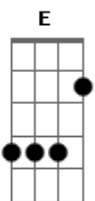

Which I haven't found so far
