

Fernando Rodrigues - A Busca

Tom: D

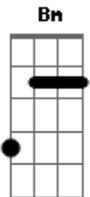

Busquei a razão de viver
 Nos caminhos que percorri
 Andei por lugares comuns a procura de ser feliz
 Me entreguei por qualquer sensação
 Aos prazeres da vida
 Jamais pensei, que momentos assim, pudessem terminar (terminar)
 Então, de repente eu senti, um vazio no coração
 E até, mesmo junto de alguém, eu sentia a solidão

Não deu, pra esta dor segurar
 Esta cruz, pesada demais, tentei, como louco tentei
 Do meu próprio corpo fugir
 Sem ter, mais lugar para onde ir
 De joelhos orei, procurando uma luz
 Senti, Tua mão me tocar, meu Senhor Jesus
 Seja onde for, me leva meu Senhor
 Quero Te amar, Te dar o meu louvor
 A qualquer lugar, pra sempre ao Teu lado, quero estar
