

Ferrugem - Flashback

Tom: C

Intro: Am Em F G

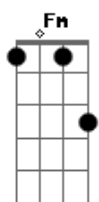

Am Em F Am
G Dm7 G7

Só agora vem dizer que sente a minha falta
Fica pedindo volta, o que é que eu vou te responder
Logo agora que eu tô bem, você quer flashback
Por favor me esqueça
Que eu posso me contradizer

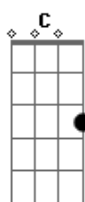

Não é justo magoar alguém que só me deu amor

Quando você me deixou
Ela escutou os meus problemas e depois curou
Os traumas que você deixou em mim
Não queira mais saber de mim
Eu prefiro assim
Agora o que era seu é tudo dela
O beijo que era seu eu dei pra ela
Mas se eu devolver tudo pra você, já era já era
