

# Ferrugem - Tentei Ser Incrível

Tom: A  
Intro: 2x: E A7

E  
Pra te conquistar

Eu tentei ser incrível

Pra te namorar

Eu fui cavalheiro com você...

Abri a porta do carro pra você descer

Fiz um poema e botei nas flores que eu te dei

Na inocência de quem acredita no amor

Minha paixão era pra valer,

Todos os meus sonhos eram com você

A7 B  
Em matéria de amor e carinho,  
Abm7

Tava tudo certo,

Mas do nada você me deixou,

Você me deixou,..... você me deixou

Quando eu coloquei um

Caminhão de açúcar no seu mel,

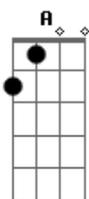

Você bateu asa e voou voou voou para um novo amor

Quando eu coloquei um

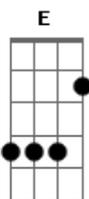

Caminhão de açúcar no seu mel,

Você bateu asa e voou voou voou para um novo amor
