

# Fever Ray - Dry and Dusty

Tom: **F**  
Intro: **Dm** - **F** - **C** - **Bb**

[Verso]  
**Dm** **F**  
Never leave me  
**C** **Bb**  
Walk close beside me  
**Dm** **F**  
Your hand, my hand  
**C** **Bb**  
Fits so easy  
  
No tomorrow  
Let us stop here  
We did some great things  
Didn't we

[Refrão]  
Dry and dusty

I am a capsule of energy  
You speak softly  
We are capsules of energy

[Ponte]  
**Dm** **F**  
Work as I've been told  
**C**  
In return I get money  
**Dm** **F**  
Small feet in the hall  
**C**  
And I long for every moment

[Refrão]  
Dry and dusty  
I am a capsule of energy  
You speak softly  
We are capsules of energy
