Fever Ray - If I Had a Heart

```
Tom: E
Intro: E  G  A
      (A  G  E )

E
This will never end
      G         A
'Cause I want more
             G
More, give me more
            E
Give me more

E
This will never end
      G         A
'Cause I want more
             G
More, give me more
            E
Give me more

E               G          A
If I had a heart I could love you
             G           E
If I had a voice I would sing
E              G       A
After the night when I wake up
            G          E
I'll see what tomorrow brings

E    G    A
ah aaah aaah
         G    E
ah aaah aaah
```

```
E     G     A
ah aaah aaah
              G           E
If I had a voice, I would sing

(E  G  A )
(A  G  E )

E
Dangling feet from window frame
                    G         A
Will I ever ever reach the floor?
             G       E
More, give me more, give me more

E
Crushed and filled with all I found
Underneath and inside
G            A
Just to come around
             G        E
More, give me more, give me more

E     G    A
ah aaah aaah
         G   E
ah aaah aaah
E     G    A
ah aaah aaah
              G           E
If I had a voice, I would sing

(E  G  A )
(A  G  E )
