

Fever Ray - When I Grow Up

Tom: C

Intro: G F (2x)

G F
When I grow up
I want to be a forester

F
Run through the moss on high heels

G
That's what I'll do
Throwing out boomerang

G F
Waiting for it to come back to me

G F
When I grow up
I want to live near the sea

G
Crab claws and bottles of rum

F
That's what I'll have
Staring at the seashell

G
Waiting for it to embrace me

F
I put my soul in what I do
Last night I drew a funny man

G
With dark eyes and a hanging tongue

F
It goes way bad

I never liked a sad look

G F
From someone who wants to be loved by you

G F
I'm very good with plants
When my friends are away

G
They let me keep the soil moist

F
On the seventh day I rest
For a minute or two

G F
Then back on my feet and cry for you

G F
You've got cucumbers on your eyes
Too much time spent on nothing

G
Waiting for a moment to arise

F
The face in the ceiling
And arms too long

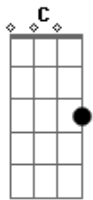

G
I wait for him to catch me

(solo mesma base)

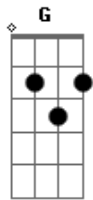

F G F
Waiting for you to embrace me

(G F)
