D Bm  
I don?t know why it?s so difficult for me  
G D  
To talk to somebody I don?t know  
D Bm  
Well I?ve tried to ask you out about a thousand times  
G D  
In my head, you just always say ?no?  
D Bm  
And I don?t care at all, I?ll drink some alcohol  
G D  
It?ll make me who I really wanna be  
D Bm  
But I?m that kind of special person that drinks too much  
G D  
Cause nobody understands me

G D G D  
Because everybody?s got somebody, everybody but me  
G D E A  
Why can?t anybody just tell me that I?m somebody?s?

D A Bm G  
I?m gonna lock myself inside my room  
D A D-  
With this 40 ounce on repeat

D Bm  
I thought that if I cleaned up my act  
G D  
It?ll help me understand exactly who I am

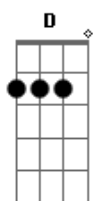

D Bm  
But I hate to say that it just don?t work like that  
G D  
Cause I?m a special individual I don?t need no plan  
D Bm  
But I got bills to pay, and I got pills to take  
G D  
Cause I?m born and raised in the USA  
D Bm  
And I?ll just scream and shout, that I?ll never sell out  
G  
I?ll never sell out, man!  
D|-  
Wait... how much?

G D G D  
Because everybody?s got more money, they got more money than me  
G D E A  
Why can?t anybody just give me some more money?  
G D G D  
Because everybody?s got somebody, everybody but me
