

# FIDLAR - No Waves

Tom: **C**

**G**  
I feel, feeling like a coke head  
**B**  
And I feel, feeling like I can?t get drunk no more  
**Em**  
?cause I?m on the floor  
**C**  
Looking for some magic just to cook up the score

**G**  
I feel, feel catching up  
**B**  
I feel, I feel like getting up  
**Em**  
In my skateboard ?cause I?m fucking bored  
**C**  
I want a perfect love on the sunset shore  
  
( **G B Em C** )

**G**  
I feel, I?m feeling like a crack  
**B**  
And I feel, I?m feeling like I?m not gonna make it no  
**Em**  
more, ?cause I?m on the floor  
**C**  
Just pick me up and give me some more

**G**  
I feel, I?m feeling like a grandpa  
**B**  
I feel, I?m feeling like I?m old  
**Em**  
Eighty years old and my skin's so cold  
**C**  
I need a new body and I need a new soul

**G**  
I feel, feel like getting drunk  
**B**  
I feel, feel like fucking up my life  
**Em**  
again with all my friends  
**C**  
I hope I?ll make it to the end  
  
**G**  
I feel, feel that you know  
**B**  
I feel, feeling like I can?t get  
**Em**  
Laid no more, ?cause I?m on the floor  
**C**  
Just looking for some magic just to kick up the score
