

# The Fifth Dimension - California Soul

Tom: C  
Intro: C F Gm

Sugestão de arranjo:

C F Gm  
Like a sound you hear  
That lingers in your ear  
But you can't forget  
From sundown to sunset  
It's all in the air  
You hear it everywhere  
No matter what you do  
It's gonna grab a hold on you

Dm F  
They say the sun comes up every morning  
Dm F  
And if you listen oh so carefully  
C F  
The winds that ride on the high time  
Dm E7  
Whistle in melody  
Am Am  
And so the people started to sing  
Am  
And that's how the surf gave birth untold

C F Gm  
When you hear the beat  
You wanna pat your feet  
And you've got to move cause  
It's really such a groove  
Puts a brand new kind of thinkin' in your mind  
And you can't go wrong  
Cause you're groovin' all day long

They had the melody and the beat  
Dm F  
But it still didn't seem complete  
C F  
Until they saw two lovers kissin  
Dm E7  
They knew just what was missin

Am Am  
So happy they were rockin and reelin  
Am Am  
Because that added that lovin feeling
