

Fifth Harmony - Dope

Tom: F

Intro: F C F C (INTRO)

(Camila)

New Jersey tongue, not saying too much
I'm feeling your attitude

That East Coasting, babe, is driving me crazy
Just like it's supposed to do

With hands that could save me, face that could break me
Sort of in love with you

But I wouldn't say that to ya

(Dinah)

And now I'm tryna find the words
To tell you how I feel and show you that it's real
And now I'm tryna find the words (ah...)

(Lauren)

I don't know what else to say, but you're pretty fucking dope

Just so you know

I've been thinking 'bout ways that I wanna hold you close

Just so you know

I don't know what else to say, but you're pretty fucking dope

Oh, just so you know

(Oh...uh...)

I don't know how else to say it, but you're pretty fucking dope

Do you already know?
Do you already know?

(Normani)

Do you got a girlfriend?

Cause if you don't, then I'm coming after you

Don't wanna be selfish, but I can't help it
I'm wanting more of you

I know I'm cool as shit, you want more of it
This much I know is true

(Camila)

But I wouldn't say that to ya

(Dinah)

And now I'm tryna find the words
To tell you how I feel and show you that it's real
And now I'm tryna find the words (ah...)

(Lauren)

I don't know what else to say, but you're pretty fucking dope

Just so you know

I've been thinking 'bout ways that I wanna hold you close

Just so you know

I don't know what else to say, but you're pretty fucking dope

Oh, just so you know

(Oh...uh...)

I don't know how else to say it, but you're pretty fucking dope

Do you already know?

Do you already know?

Do you already know?

Do you already know?

(Ally)

What I think about ya and all the ways that you make me feel

Do you know what I think about ya? (ah haa...)

(Do you already know?)

What I think about ya and all the ways that you make me feel

Do you know what I think about ya? (ah haa...)

(Lauren e Normani)

I don't know what else to say, but you're pretty fucking dope

Just so you know

I've been thinking 'bout ways that I wanna hold you close

Just so you know

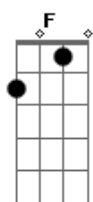

I don't know what else to say, but you're pretty fucking dope

Just so you know

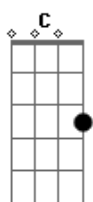

I've been thinking 'bout ways that I wanna hold you close

F C F C....
