

Fifth Harmony - Mirrors

Tom: Db

(com acordes na forma de C)
Capotraste na 1ª casa
Intro: C G F (2x)

Verse I:

Aren't you somethin' to admire, cause your shine is somethin' like a mirror

And I can't help but notice, you reflect in this heart of mine

If you ever feel alone and the glare makes me hard to find

Just know that I'm always Parallel on the other side

Pre-Chorus:

Cause with your hand in my hand and a pocket full of soul

I can tell you there's no place we couldn't go

Just put your hand on the past, I'm here tryin' to pull you through

You just gotta be strong

Chorus:

Cause I don't wanna lose you now

I'm lookin' right at the other half of me

The vacancy that set in my heart

Is a space, that now you hold

Show me how to fight for now

And I'll tell you baby, it was easy

Comin' back into you once I figured it out

You were right here all along

It's like you're my mirror

(oh oh) My mirror staring back at me

I couldn't get any bigger

(oh oh) With anyone else beside of me

And now it's clear as this promise

That we're making two reflections into one

Cause it's like you're my mirror

(oh oh) My mirror staring back at me, staring back at me

Verse II:

Aren't you somethin' an original Cause it doesn't seem really as simple

And I can't help but stare cause I see truth somewhere in your eyes

ooh I can't ever change without you, you reflect me, I love that about you

And if I could, I would look at us all the time

Pre-Chorus:

Cause with your hand in my hand and a pocket full of soul

I can tell you there's no place we couldn't go

Just put your hand on the past, I'm here tryin' to pull you through

You just gotta be strong

Chorus:

Cause I don't wanna lose you now

I'm lookin' right at the other half of me

The vacancy that set in my heart

Is a space, that now you hold

Show me how to fight for now

And I'll tell you baby, it was easy

Comin' back into you once I figured it out

You were right here all along

It's like you're my mirror

(oh oh) My mirror staring back at me

I couldn't get any bigger

(oh oh) With anyone else beside of me

And now it's clear as this promise

That we're making two reflections into one

Cause it's like you're my mirror

(oh oh) My mirror staring back at me, staring back at me

Bridge:

Yesterday is history

Tomorrow's a mystery, a mystery

I can see you lookin' back at me

Keep your eyes on me, baby, keep your eyes on me

(Chorus)
(Só vozes)

Cause I don't wanna lose you now
I'm lookin' right at the other half of me
The vacancy that set in my heart
Is a space, that now you're hold
Show me how to fight for now
And I'll tell you baby, it was easy
Comin' back into you once I figured it out
You were right here all along

It's like you're my mirror

(oh oh) My mirror staring back at me

I couldn't get any bigger

(oh oh) With anyone else beside of me

And now it's clear as this promise

That we're making two reflections into one

Cause it's like you're my mirror

(oh oh) My mirror staring back at me, staring back at me

Ooooooh... Oooh

Show me how to fight for now

Ooooooh... Oooh

Cause I don't wanna lose you now

Ooooooh... Oooh... Hoooo

Ooooooh... Oooh... Hoooo

It's like you're my mirror
