

Fifth Harmony - Write On Me

```
Tom: Bb
                                                        Chorus: Lauren & All
                                                        D E Gbm
                                                        Write on me
(com acordes na forma de
                                       A)
Capostraste na 1ª casa
                                                        D F
Intro: 2x: D Gbm D E Gbm
                                                        Color outside the lines
                                                        D E Gbm
Verse 1: Normani
                                                        Love the way you tat me up
         D Gbm
                         D E Gbm
                                                        D F A
Pick up the pen, put it on the paper ${\rm D}$\ {\rm Gbm} {\rm D}\ {\rm E}\ {\rm Gbm}
                                                        Baby take your time
                                                        D E Gbm
Write on me
Write on my skin, bring me to life
                                                        D E
          D Gbm
                                                        Give me some wings, I'll fly
Can't start again, there ain't no eraser
D Gbm D E Gl
All of my flaws, you got them so right
                         D E Gbm
                                                        D E Gbm
                                                        I'll never change my mind
D E Gbm D E Gbm
Pre-Chorus 1: Camila
                         D F Gbm
          Gbm
Everything is blank until you draw me
                                                        Write on me, write on me
            Gbm
                       DEA
                                                        D E Gbm D E A
Touching on my body like you know me
                                                        Write on me, write on me
Chorus: Lauren & All
                                                        Bridge: Camila
D E Gbm
                                                                   D E Gbm
Write on me
                                                        I could see a city sleep
D E
                                                                    D E Gbm
Color outside the lines
                                                        I could see an ocean wave
                                                                                   D
D E Gbm
                                                        D E Gbm
Love the way you tat me up
                                                        Everything is changing and it's written on my face
D E A
                                                                  D E Gbm
                                                        I could see a city sleep
Baby take your time
D E Gbm
                                                                   D F Gbm
Write on me
D E
                                                        I could see an ocean wave
                                                                                   D E A
                                                        D E Gbm
Give me some wings, I'll fly
                                                        Everything is changing and it's written on my face
D E Gbm
Chorus: Lauren & All & Camila
                                                        D E Gbm
I'll never change my mind
D E Gbm D E Gbm
                                                        Write on me
                                                        D E
Write on me, write on me
                                                        Color outside the lines
D E Gbm D E A Write on me, write on me
                                                        D E Gbm
                                                        Love the way you tat me up
 D E Gbm D E Gbm
                                                        D E A
Write on me, write on me
                                                        Baby take your time
D E Gbm
                                                        D E Gbm
Love the way you tat me up
                                                        Write on me
D E A
                                                        Give me some wings, I'll fly
D E Gbm
Write on me
                                                        Love the way you tat me up
Verse 2: Ally
         D Gbm
                                                         D E A
                             D F Gbm
You are my friend, straight and no chaser
                                                        I'll never change my mind
         D Gbm
                                                        D E Gbm D E Gbm
Burns going down but it keeps me alive
                                                        Write on me, write on me
                                                        D E Gbm D E A
         D Gbm D E Gbm
Tell me the truth, I like the danger
                                                        Write on me, write on me
          D Gbm
                        D E Gbm
                                                        D E Gbm D E Gbm
                                                        Write on me, write on me D E Gbm
Cause in the end you will be mine
Pre-Chorus 2: Camila
                                                        Love the way you tat me up
                        D F Gbm
                                                        D E A
          Gbm
Everything is gray until you draw me
                                                        Write on me
     Gbm D E Gbm
Touching on my body like you know me
                                                        Outro:
                                                        ( D E Gbm ) (3x)
( D E A )
