

Fiji - Sweet Darlin'

Tom: **C**

[Primeira Parte]

C
We've been together awhile
C
And I don't mean to cramp your style
C **G**
Sometimes I wonder just how things happen this way
F **G** **C**
And I'm just reminiscing of that wonder night we first met
C
You pick me up every morning
C
And I just be through with the club
C **G**
I never thought that a girl could love a man this much
F **G** **C**
I am overwhelmed and baby I just can't thank you enough

[Refrão]

C
And I'm wondering oh! sweet darling
C
What did I do to deserve you
C **G**
What did I say to make your angel eyes turn my way
F **G** **C**

If only I had the world I'd give it all to you babe

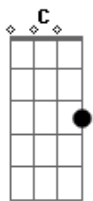

[Segunda Parte]

C
Now I'm about to leave for the road
C
I'll take you with me in my heart
C **G**
And I really pray the Lord my soul to keep baby
F **G** **C**
And baby just one request, keep me in your grace

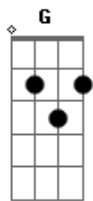

[Refrão]

C
And I'm wondering oh! sweet darling
C
What did I do to deserve you
C **G**
What did I say to make your angel eyes turn my way
F **G** **C**
If only I had the world I'd give it all to you babe
C
And I'm wondering oh! sweet darling
C
What did I do to deserve you
C **G**
What did I say to make your angel eyes turn my way
F **G** **C**
If only I had the world I'd give it all to you babe
