

Final Fantasy XIV: Endwalker - Flow

tom:

Intro: Db Cm Eb Gbm

[Primeira Parte]

Welcome and well met, my brave little spark
How long you've wandered, burned bright as a star
Oh, I have longed, waiting patiently
All this time past every fate
Now sing with me once more
Share of your life
Far greater than memory
It's loss and love words cannot hold
Boundless, the tale overflows
And carries your light out to sea

[Segunda Parte]

Remember the rain, near and far beloved
Each drop a blessing, from heavens above?
And how must time float on those waters
B?came one, streams, rivers and lakes
Reaching for the horizon and far beyond
They carry onward, however changed with each brief reflection
By setting sun, by storm's wake
Till welcomed home to gentle sea

[Ponte]

Sinking deeper and deeper in calm embrace
Loving tide sweeping in, bear you down

Should you meet us, arise and surface thus
With your own beating heart wish them well

[Refrão]

Deep, dark, far away
I heard of your voice
With your every choice
Now our hands joined round the meaning you sought
I'll catch your tears
Quench your fears with joy
To your devotion
Where in time all shall as hope be reborn all

(Gbm Em A7)
(D A)
(Dm Bm E)

[Refrão]

Hush love, close your eyes
Let them sleep all blind, in such a still night
It calls to unto dreams, be and all
Though you will weep
The winds rise again
For this journey's end
Is but one step forward to tomorrow

[Final]
