

# Final Fantasy XIV: Endwalker - Flow

tom:

Intro: Db Cm Eb Gbm

[Primeira Parte]

Welcome and well met, my brave little spark  
 How long you've wandered, burned bright as a star  
 Oh, I have longed, waiting patiently  
 All this time past every fate  
 Now sing with me once more  
 Share of your life  
 Far greater than memory  
 It's loss and love words cannot hold  
 Boundless, the tale overflows  
 And carries your light out to sea

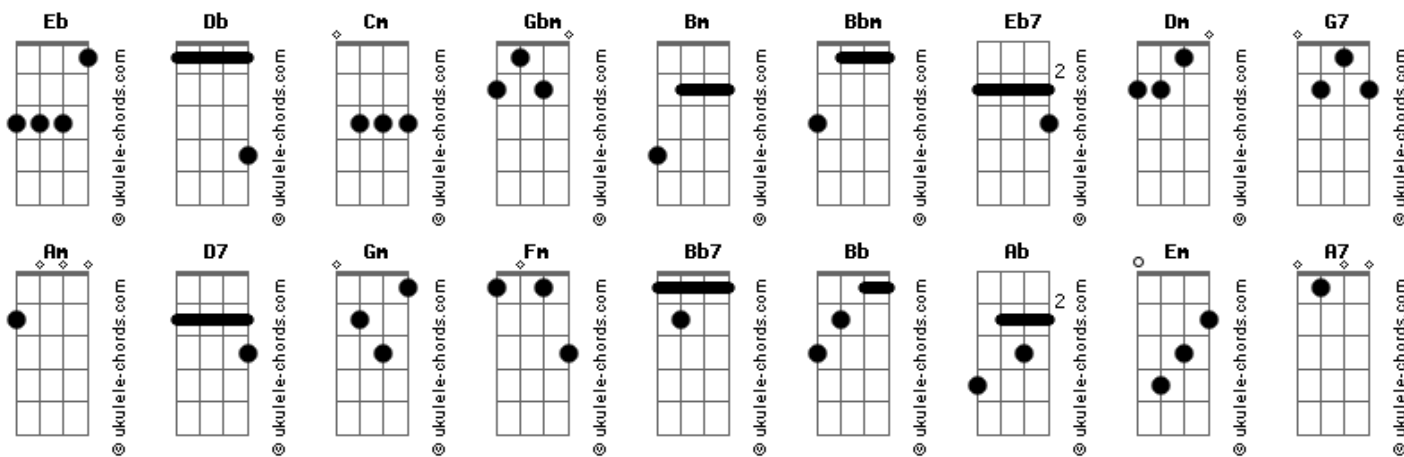

[Segunda Parte]

Remember the rain, near and far beloved  
 Each drop a blessing, from heavens above?  
 And how must time float on those waters  
 B?came one, streams, rivers and lakes  
 Reaching for the horizon and far beyond  
 They carry onward, however changed with each brief reflection  
 By setting sun, by storm's wake  
 Till welcomed home to gentle sea

[Ponte]

Sinking deeper and deeper in calm embrace  
 Loving tide sweeping in, bear you down

## Acordes

Should you meet us, arise and surface thus  
 With your own beating heart wish them well

[Refrão]

Deep, dark, far away  
 I heard of your voice  
 With your every choice  
 Now our hands joined round the meaning you sought  
 I'll catch your tears  
 Quench your fears with joy  
 To your devotion  
 Where in time all shall as hope be reborn all

 ( Dm Bm E )  
 [Refrão]

Hush love, close your eyes  
 Let them sleep all blind, in such a still night  
 It calls to unto dreams, be and all  
 Though you will weep  
 The winds rise again  
 For this journey's end  
 Is but one step forward to tomorrow
