

Final Fantasy - Morning Sky

tom:

Intro: Gm Gm

Gm
Dreaming of the stars on high

That speak to me in secret sighs

Drifting on a breeze

Only I can feel and hear

Gm
Could it be the sacred wind

That's calling me to now begin

To walk into the dark

Carrying the light of tomorrow

Gm
Beating of the wings up high

Beyond the earth, Beyond the sky

Come now, don't hesitate

Don't look back

We've got to go now

Don't fear

You'll be safe from now on

Morning sky watching over all

Gm
Deep inside, so silently

My heart will speak

Deep inside of me

Memories flickering

And shimmering on

Endlessly

(Gm)

Eb
Keeping close to the path

Morning sky watching over all

Gm
Moving over endless mountains oh so high

Walking to the light

Your heart will see the path

And you will find the way

Just wait and see

Gm
Moving over endless skies oh so high

Tomorrow will follow

And it holds your promises today

Just wait and see
