Finger Eleven - Slow Chemical

tom: Am Dm Am Dm The wonder of the world is gone I know for sure Am Dm All the wonder that I want I found in her Am Dm As the whole becomes a part I strike to burn Am And no flame returns Dm Am Dm Every intuition fails to find it's way Dm Am One more table turned around I'm back again Am Finding I'm more lost And found when she's not around Dm When she's not around I feel it coming down Am Dm Give me what I could never ask for Dm F Am Connect me and you could be my chemical now Dm Am Give me the drug you know I'm after Am Dm F Connect me and you could be my chemical

Am G When everybody wants you

(The chemical goes slow)

Acordes

When everybody wants you (The chemical gets) Slow and Dm Slow and G Everybody wants you, so F. Slow and Dm Slow and G Am F . Everybody wants your soul Dm Am Give me what I could never ask for Dm Am E Connect me and you could be my chemical now Dm Am Give me the drug you know I'm after Am Dm F Connect me and you could be my chemical Dm Am

You could be the chemical Dm Am You could be the chemical Dm Am You could be the chemical Dm Am You could be the chemical
