[Primeira Parte]

I think you're gonna change my plans
With those emerald eyes
But you don't even understand
How much they're on my mind

[Pré-Refrão]

Feels like I'm breathing in and out without permission
Waiting on your badges by the phone
I might be headed in the opposite direction
But I'd love to drive you home

[Refrão]

Oh, I'm in trouble now
Come kiss me black and blue
Might last another round
But I'm bound to fall for you

[Segunda Parte]

Taking a stranger's hand
I got familiarized
Now without a second glance
I wouldn't save the night
I'd spend it all, every penny on you
There's nothing in my wallet

Worth a thing I can't lose
I'd spend it all, every penny on you-ou

[Pré-Refrão]

Feels like I'm breathing in and out without permission
Waiting on your badges by the phone
I might be headed in the opposite direction
But I'd love to drive you home

[Refrão]

Oh, I'm in trouble now
Come kiss me black and blue
Might last another round
But I'm bound to fall for you
We're under covers now
I don't know what you do
Just know I love it now
I'm bound to fall for you

[Bridge]

I want you filling my lungs and pulling me under
Tip of my tongue, it's making me wonder
Filling my lungs and pulling me under

I think you're gonna change my plans
With those emerald eyes
But you don't even understand
Just how far I'd dive
