

Finneas - Happy Now?

tom: Em

Aren't I supposed to be happy now? Em

There's nothing left for me to laugh about Bm D7M

Happy now Em

They're all so happy for me D7M

So take a drive around town in my douchebag car Em

Like the superstar that I pretend to be D7M

Nothing feels better than buying love Em

When push comes to shove, I'm lonely D7M

With everybody talking 'bout you Em

You won't remember who you are D7M

Everybody talking 'bout you Em

Doesn't get you far F7

I was supposed to be happy now Em

There's nothing left for me to laugh about Bm

I was supposed to be happy now Em

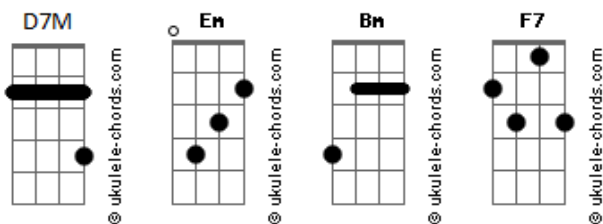

They're all so happy for me D7M

Always such an anxious child Em

Never wild D7M

Always worrying

Acordes

Never any good with surprises Em

Compromises D7M

I wanted everything

They'd tell me: Everything is not about you Em

It doesn't matter who you are D7M

Everything is not about you Em

But if you work hard F7

Aren't we supposed to be happy now? Em

There's nothing left for me to laugh about Bm D7M

I was supposed to be happy now Em

They're all so happy for me D7M

(Em D7M)

(Em F7)

Happy now Em

There's nothing left for me to laugh about Bm D7M

I was supposed to be happy now Em

They're all so happy for me D7M

And if I'm not, I'll never be happy now Em

There's nothing left for me to laugh about Bm D7M

Maybe I'll never be happy now Em

They're all so happy for me D7M
