

Finneas - Happy Now?

tom:
 Em
 Aren't I supposed to be happy now? Em
 There's nothing left for me to laugh about Bm D
 Happy now Em
 They're all so happy for me D
 So take a drive around town in my douchebag car Em
 Like the superstar that I pretend to be D
 Nothing feels better than buying love Em
 When push comes to shove, I'm lonely D
 With everybody talking 'bout you Em
 You won't remember who you are D
 Everybody talking 'bout you Em
 Doesn't get you far F7
 I was supposed to be happy now Em
 There's nothing left for me to laugh about Bm
 I was supposed to be happy now Em
 They're all so happy for me D
 Always such an anxious child Em
 Never wild D
 Always worrying

Acordes

Never any good with surprises Em
 Compromises D
 I wanted everything D
 They'd tell me: Everything is not about you Em
 It doesn't matter who you are D
 Everything is not about you Em
 But if you work hard F7
 Aren't we supposed to be happy now? Em
 There's nothing left for me to laugh about Bm D
 I was supposed to be happy now Em
 They're all so happy for me D
