Intro: **Dm Am G**
C Dm Am

Dm Am G
I swear I don't

C Dm Am

Miss you at all

Dm Am G

And I barely still remember

C Dm Am

Who's in the pictures on my wall

Dm Am G

'Cause, no, I can't

C Dm Am

Recall your scent

Dm Am G

Jasmine tuberose and lily

C Dm Am

Or your silly French accent

Dm Am G

All but forgotten

C Dm Am

About those eyes

Dm Am G

The shade of green that if he'd seen

E

Would make F. Scott Fitzgerald cry

Dm Am G

But I won't

C Dm Am

Break down at 2AM and call

Dm Am G

'Cause I don't

Miss you at all

Dm Am G

And I'm sleepin' fine

C C Am

I don't mean to boast

Dm Am G

But I only dream about you

C Dm Am

Once or twice a night at most

Dm Am G

And it feels so good

C C Am

Eating alone

Dm Am G

I don't get distracted by your smile

C Dm Am

And miss the green lights driving home

Dm Am G

No sign of stopping

C C Am

The house isn't far

Dm Am G

But I think our song is coming on

E

And now I wanna crash the car

Dm Am G

But I won't

C Dm Am

Make that mistake again and fall

Dm Am G

So I say I don't

C Dm Am

Miss you at all

Dm Am G

And someday I won't

Miss you at all
