## Finneas - Life Moves On

Tom: E В D Dbm A F She said "you always had a way with people" Α "A way of letting them leave" D Dbm My hands could be the church to your fingers' steeple But you talk so mean Gbm She said "you know I love you" Α I said "remind me" F Life moves on В The way life does D But some things are prettier Dbm The way life was Gbm Before we gave each other love, gave each other love F B Life moves on The way life does D But some things are prettier The way life was Gbm Α Before we gave each other love, love E And broken arms [Instrumental] E D Dbm B A Е Her silhouette Ab D Glowed so familiar Dbm B Through Α That blood red curtain F Abm I stood with strangers, gazing

Dbm B D At the girl, that I once knew Α But I've grown uncertain Gbm She said "It's just a bad dream" But she looked too happy B F Life moves on В The way life does F But some things are prettier The way life was Gbm Before we gave each other love, gave each other love В E Life moves on B The way life does F But some things are prettier The way life was Gbm A E Before we gave each other love, love [Instrumental] Dbm B A Life moves on B The way life does Е But some things are prettier The way life was Gbm Before we gave each other love, love Е Life moves on В The way life does F But some things are prettier D The way life was Gbm Α F Before we gave each other up
