

# Fino Coletivo - Porvir

Tom: E

m

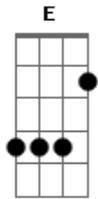

Na beira de virar as sortes da maré  
 Caminho de flores no pé  
 Fumaça de incensar a folha da guiné  
 Um chá pra me lavar na fé

( Em Am D Eb )

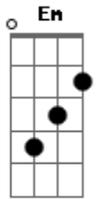

Lá vai meu coração na sede de dançar  
 Tocar o barco, andar no som  
 Emaná, ecoa, sana, eleva o patamar  
 Assimilando o vento e o ar

Ciente de sentir o que estiver por vir  
 Eu deixo a lágrima cair  
 Na fome de cantar, de me fazer sorrir  
 Na luz do Sol que vem aí
