

Fiona Apple - Extraordinary Machine

```
Tom: C
I certainly haven't been shopping for new shoes
And
I certainly haven't been spreading myself around
I still only travel by foot and by
Foot it's a slow climb
But I'm good at being uncomfortable so I
Can't stop changing all the time
I notice that my opponent is always on the go
Won't go slow, so as not to focus and I notice
He'll hitch a ride with any guide as long as they go fast from
But he's no good at being uncomfortable so he can't stop
staying
Exactly the same
            If there was a better way to go then it would find me
        I can't help it, the road just rolls out behind me
Be kind to me, or treat me mean % \left( 1\right) =\left( 1\right) \left( 1\right) 
I'll make the most of it, I'm an extraordinary machine
I seem to you to make a new disaster every day
```

```
You've deemed me due to clean my view and be at peace and lay
I mean to prove I mean to move in my own way and say
I've been getting a long for long before you came into the
I am the baby of the family, it happened so
Everybody cares and wears the sheep's clothes while they shop
Curious, you're looking down your nose at me while you appease
Courteous to try and help but let me set my mind at ease
  If there was a better way to go then it would find me
  I can't help it, the road just rolls out behind me
Be kind to me, or treat me mean
I'll make the most of it, I'm an extraordinary machine
Do I so worry you, you need to hurry to my side?
But it's to no avail, and I don't want the bail
I promise you, everything will be just fine
 If there was a better way to go then it would find me
 I can't help it, the road just rolls out behind me
Be kind to me, or treat me mean
I'll make the most of it, I'm an extraordinary machine
