

Fiona Apple - Fast As You Can

Tom: **E**

Tabbed by Shane Hagan
comments and/or questions are welcome!

standard tab notation... "x" means mute or don't play that string, "\" means slide
top line is the highest sounding string (high **E**), and bottom line is lowest sounding (low **E**)

(**A**) intro: essentially just **E7** to F, but here is the exact voicing for the two chords:

(**B**) Pre-chorus "you say you don't spook easy..."

(**C**) Chorus "fast as you can baby..."

repeat (**A**), (**B**), and (**C**)... then...

(**D**) Bridge "sometimes my mind..."

G - **F** - **C** -- **G** - **F** - **Am** -- **G** - **F** - **Am** - **Em** - **G** -- **G** -- **G** - **G** -
C -- **G** -
- **Am** -- **G** - **G** - **Am** - **Em** - **G** - **G** - **Em** - **Eb7** (chords are all
tabbed out below)

G: **F**: **C**: **Am**: **Em**: **G**: **Em**:
Eb7:

then (**A**), (**B**), then (**C**) for a couple times, then vamp on (**A**) as an outro (w/ optional solo on top)...

Enjoy, fellow guitarists! :**D**
