

# Fire From The Gods - Right Now

tom:

Intro: A B Dbm

Tear down Dbm  
B  
These walls A  
Well this can't go on forever B  
Something's gotta give  
( Dbm B Em A )  
( Dbm B A )

Dbm B A  
How can I relate to a world I feel is broken Gbm  
To the minds that I feel won't open Dbm B  
And how can I speak life A Gbm  
When all I see is death and all I see is strife Abm  
Yeah, I'll tell them A  
Look into their eyes Gb  
Listen to their cries Dbm B  
Voices speak demise

Dbm  
Tear down B  
These walls A  
Well this can't go on forever B  
Something's gotta give Dbm  
Burn down B Gbm  
And relearn A  
Well we won't be here forever B  
Somethings gotta change Dbm B  
Right now Em A  
Right now Dbm B  
Right now

A Ab  
Right

Dbm B A  
How can we exist in a constant state of crisis Gbm  
Society in conflict Dbm  
All the ignorance betrays a weakness B  
Too much pride to admit there's a sickness A  
Vacant emotions Gbm Ab  
Like walking corpses

A  
Look into their eyes Gb  
Listen to their cries Dbm Gbm Gb  
Voices speak demise Dbm  
Tear down B  
These walls A  
Well this can't go on forever B  
Something's gotta give Dbm  
Burn down B  
And relearn A  
Well we won't be here forever B  
Somethings gotta change Dbm B  
Right now Em A  
Right now Dbm B  
Right now A  
Right now

A  
If we all take a second and listen B  
Voice of reason is how we can end this Dbm  
We can't waste a minute

It needs to happen now A  
Drop your weapons and all your defences B  
Drop your pride get the point that we're missing Dbm  
We can't waste a minute B Dbm B  
It needs to happen now A B  
It needs to happen now

Dbm  
Tear down B  
These walls A  
Well this can't go on forever B  
Something's gotta give Dbm
