[Verse])

C Em Am F7M
Oh the bitter winds are coming in,
C Em Am F7M
And Im already missing the summer.
C Em Am F7M
Stockholms cold but Ive been told
C Em Am F7M
I was born to endure this kind of weather.
C Em Am F7M
When its you I find like a ghost in my mind,
C Em G
Im defeated and I gladly wear the crown.

[Chorus]

C F7M
I'll be your Emmylou and I'll be your June
Am G
And youll be my Graham and my Johnny too.
C F7M
No, Im not asking much of you
Am G C
Just sing little darling, sing with me.

[Verse]

C Em Am F7M
So much I know, that things just dont grow
C Em Am F7M
If you dont bless them with your patience.
C Em Am F7M
And Ive been there before, I held up the door
C Em Am F7M
For every stranger with a promise.
C Em Am F7M
But Im holding back,
C Em Am F7M
That's the strength that I lack,
C Em Am F7M
Every morning keeps returning at my window.
C Em Am F7M
And it brings me to you,
C Em Am F7M

And I won't just pass through,
C Em Am F7M
But Im not asking for a storm.

[Chorus]

C F7M
I'll be your Emmylou and I'll be your June
Am G
And youll be my Graham and my Johnny too.
C F7M
No, Im not asking much of you
Am G C
Just sing little darling, sing with me.

[Bridge]

Am G F7M C
And yes, I might have lied to you,
Am G F7M C
You wouldnt benefit from knowing the truth.
Am G F7M C
I was frightened but I held back,
Am G F7M C
I need you now at long last.

[Chorus]

C F7M
I'll be your Emmylou and I'll be your June
Am G
And youll be my Graham and my Johnny too.
C F7M
No, Im not asking much of you
Am G C
Just sing little darling, sing with me.
C F7M
I'll be your Emmylou and I'll be your June
Am G
And youll be my Graham and my Johnny too.
C F7M
No, Im not asking much of you
Am G C
Just sing little darling, sing with me.

[Outro]

Am G C
Just sing little darling sing with me
