

# First Aid Kit - Everybody's Got To Learn

tom:  
Intro: C C C

C  
You're going to take every chance that is given to you  
G  
I believe in you you're going to see this through  
C  
You're going to break your little heart in two  
G  
And it's going to bend but heal with time  
Dm  
There'll be dancing on tables  
C  
There'll be tears on the phone  
Dm  
There'll be nights that you'll regret babe  
C  
There'll be days you'll feel all alone  
G  
But you're not alone  
F  
The blues and the bliss you'll hit and you'll miss  
C Am C Am  
Let the waves come crashing in you'll be soaked to the skin  
F  
And no matter how I'll try and I'll try  
C Am C Am  
To ease all your pain you have to feel it all the same  
G  
Everybody's gotta learn  
G C C C  
Everybody's gotta learn their own lesson  
C F

You're going to tell me how much you hate me someday  
G C C C  
And I'll watch as the world leads you astray  
C F  
You're going to leave me and I won't stand in your way  
G C C C  
And it's going to hurt but I'll deal in time  
Dm  
There'll be kissing strangers  
C  
There'll be missing home  
Dm  
There'll be nights that you'll forget babe  
C  
There'll be days you'll feel all alone  
G  
But you're not alone  
F  
The blues and the bliss you'll hit and you'll miss  
C Am C Am  
Let the waves come crashing in you'll be soaked to the skin  
F  
And no matter how I'll try and I'll try  
C Am C Am  
To ease all your pain you have to feel it all the same  
G  
Everybody's gotta learn (everybody's gotta learn)  
G  
Everybody's gotta learn (everybody's gotta learn)  
G  
Everybody's gotta learn  
G C C C  
Everybody's gotta learn their own lesson  
( F C Am C Am )
