Intro: **C Em Am G F**

C **Em**
I could've sworn, I saw fireworks
Am **G**
From your house, last night
C **Em**
As the lights flickered and they failed
Am **G**
I had it all figured out

C **Em**
Why do I do this to myself?
Am
Every time
G
I know the way it ends
C **Em**
Before it's even begun
Am
I am the only one
G **C**
At the finish line

C **Em**
I took a trip out to the frozen lake
Am **G**
And it felt so far away
C **Em**
But I could feel it washing over me
Am **G**
There's no escaping, the harsh light of day

C **Em**
Why do I do this to myself?
Am
Every time

G
I know the way it ends
C **Em**
Before it's even begun
Am
I am the only one
G **C**
At the finish line
C **Em** **Am** **G** **C**
Oh

Em **F**
Stood out on that beach in Chicago
Am
Woke up next to you on Silver Lake Avenue
Em
Wherever I went
F
I always knew, always knew
G
Until I didn't know

C **Em**
Why do I do this to myself?
Am
Every time
G
I know the way it ends
C **Em**
Before it's even begun
Am
I am the only one
G **C**
At the finish line
C **Em** **Am** **G** **C**
Oh...Oh

C **Em**
I could've sworn, I saw fireworks
Am **G** **C**
From your house, last night
