

First Aid Kit - In The Hearts Of Men

tom:

C

C **F**
In the hearts of men, in the arms of mothers
Am
C **G**
In the parts we play to convince others
C **F**
We know what we're doing, we're doing it right
Am **G**
May have written books on the subject, but then you may still
be surprised
C **F**
By your tone over the phone, to your sister while waiting in
line
Am **G**
At the shopping mall just outside of town

C
Oh-hoo
F
Oh-hoo
Am
Oh-hoo
G
Oohh

C **F**
In the hands of teachers, in the books you read
Am **G**
The things we say when we've lost the lead
C **F**
I still try to speak up, when my voice won't make a sound
Am **G**
And I thought it all over too many times
C **F**
When there is no use, and the lights are all out
Am
I just give it up, and I walk home
G

Past the shopping mall that's just closing... Down

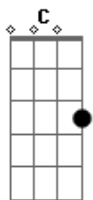

C
Oh-hoo, laa-da-da-da
F
Oh-hoo, laa-da-da-da
Am
Oh-hoo
G
Oohh

Am **G**
We tell yourself you are must be what you be
Am **G**
Who's to say who is who and what is what if you simply don't
agree, now
Am **G**
Time will come to claim you, and it will have its way
Am **G** **Am** **G**
Don't make no mistakes and don't regret
Am **G** **Am** **G**
Don't waste the time that is left
Am **G** **C**
And then do it all... With a goddamn smile

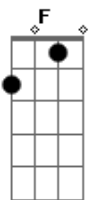

C
Laa-la-la, laa-la-la
F
Laa-la-la, laa-la-la
Am
Laa-la-la
G
Laa-ah-aah

C **F**
In the hearts of men, in the arms of mothers
Am **G**
In the parts we play to convince others
[Final] **C**
