

# First Aid Kit - New Year's Eve

tom:

Intro: C G F Em

C G F Em  
Well it's a new year, with it comes new hopes and new fears

Met a young man who was in tears, he asked me  
F G  
"What induces us to stay here?"

C G  
I said, "I don't know much and I'm not lying  
C G  
But I think you just have to keep on trying."

F Em C  
And I know I am naive, but if anything  
Am F  
That's what's going to save me  
G C  
That's what's going to save me

C G C G  
Took a stroll around the neighborhood where the trees are  
swaying

C G C  
People passed in cars with their windows down, with a pop song  
playing

F Em F  
A man walked by, walking back and forth the street with a  
drunken smile to go

G  
Along

F Em F  
G  
He stopped to look at me and say, "Child, don't fear doing

things wrong."

F G C  
Yet I am still afraid but if anything  
Am F  
That's what's going to save me  
G C  
That's what's going to save me

Am D7  
Now I have a lot to learn and I'm starting tonight  
F Em  
Got to stop looking at things like they're black and they're  
white

Am D7  
Got to write more songs of a little more, treat my friends  
better

F Em  
Got to stop worrying about everything to the letter  
F Em  
And sometimes when it's too hard to go on  
F Em  
It just might be you that I call upon

F Em C  
But I find it hard to believe, but if anything  
Am F  
That's what's going to save me  
G C  
That's what's going to save me

F  
Tell me, tell me  
G C F G C  
Oh, what's going to save me?
