

First Aid Kit - Waltz For Richard

Tom: G

Verso 1:

G C
On our last trip to the coast
G D
We watched the boats sail the sea
G C G
"How effortlessly they float"
G D G
You turned and said to me

G C
And sedately I sat there
G D
In my quiet mist of rage
G C G
How I wanted to tell you
Am D
But I was hushed by my shame

Refrão:

Am D
So when the waves come rolling in
G C
Then I won't turn the tide
Am D

And in the line of fire

G C
You'll set me aside
Am D G
So go on Richard let go

Verso 2:

G C
And I can still remember
G D
The laughter in a stranger's face
G C G
And the way you would tell me
G D G
To slow down my pace

G C
See no living is that easy
G D
No living is that fair
G C G
Of course I was going to lose you
G D G
Were you ever even there?
