Tom: **D**

Verso 1:

**G**  
Yeah you cooked his dinners  
**D** **Em**  
You raised his children and still  
**G**  
He's not satisfied  
**G**  
He says I rather switch with you  
**D**  
You don't now hard it is  
**Em G**  
To work from 9-5  
**G**  
But he speaks with his eyes closed  
**D**  
And even though you're not all alone  
**Em G**  
He's never there to be with you  
**G**  
And you remember when you were young  
**D**  
When life was new and it was fun  
**Em G**  
Now every corner's filled with dust

Refrão:

**D** **C** **G**  
But you're not coming home tonight

Verso 2:

**G**  
You just took the train  
**D**  
And you left without a wave

**Em G**

Figured he'd never let you leave anyway  
**G**  
And now you're sitting in that train  
**D**  
Seeing life in a new way  
**Em G**  
And every forest sings a song  
**G**  
One for the heartbroken lovers  
**D**  
And one for the dreamers  
**Em G**  
And then there's one just for y ou  
**G**  
The wind's been humming on it all day  
**D**  
And the soil lies awake  
**Em G**  
Waiting for it's drum solo

**D** **C** **G**  
'Cause you're not coming home tonight (2x)

**Em A7**  
The ship is sailing  
**C** **G**  
I'll meet you on the other side  
**Em A7**  
The future's unclear  
**C** **G**  
But hopefully it will be fine

**D** **C** **G**  
'Cause You're not coming home tonight
