

# Fito Páez - Pétalo de Sal

Tom: G

bar Furioso pétalo de sal, la misma calle, el mismo

Nada te importa en la ciudad si nadie espera  
 Ella se vuelve carmesí, no se si es BAires o Madrid  
 Nada te importa en la ciudad si nadie espera

Y no es tan trágico, mi amor, es este sueño es este sol  
 que ayer pareció tan extraño, o al menos tus labios  
 Yo te entiendo bien, es como hablarle a la pared  
 Y tu podrías darme fe

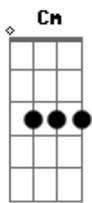

Furioso pétalo de sal, la misma calle, el mismo bar  
Nada te importa en la ciudad si nadie espera

Y no es tan trágico, mi amor, es este sueño es este sol  
 que ayer pareció tan extraño, o al menos tus labios  
 Yo te entiendo bien, es como hablarle a la pared  
 Y te imagino dando vueltas en el vecindario

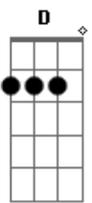

Algo tienen estos años, que me hacen poner así  
 Y decirte que te extraño y voy a verte feliz
